Appendix 1 (Sample)

The Collaboration will initially focus on developing partnerships in the areas of **Sustainability**
Rationale

There are strong similarities between **Dr.K.V. Subba Reddy Institute of Pharmacy** , particularly from a planning/ facilities/ sustainability standpoint. Both Institutions:

- Have suburban settings
- are currently undertaking the largest capital development programs in their histories;
- have similar enrollment numbers;
- have a commitment to maintaining a sustainable campus environment.

Potential Activities

- Student exchange/visits/scholarship between **Dr.K.V. Subba Reddy Institute of Pharmacy** and - **SRG PHARMA**.

Memorandum of Understanding

between
Dr.K.V. Subba Reddy Institute of Pharmacy
and

SRG Pharma

This Memorandum of Understanding (MOU) is entered into on this day of 23/07/20 to 23/07/21, by and between Dr.K.V. Subba Reddy Institute of Pharmacy and SRG PHARMA. Dr G Nagarajan (Principal) of Dr.K.V. Subba Reddy Institute of Pharmacy and Deepthi Agarwal(Managing Director) SRG PHARMA agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, students at the partner institutions;
- Faculty and student exchanges based on reciprocity;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer joint electives;
- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships.
- Cooperation in academic and research programs to include, but not limited to, sustainability.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

Cooperation in Education and Research

In order to facilitate student exchanges between **SRG Pharma** and **Dr.K.V. Subba Reddy Institute of Pharmacy**, the following section provides general procedural information under which the exchange of students between the two institutions will take place. Specific procedures, requirements and duties of the parties in connection with student exchanges shall be set forth in a separate written program agreement to be executed by the parties.

Cooperation and exchanges may take place with undergraduate, graduate, students. Each exchange maybe for the duration of one academic year, one academic semester, or one intensive course, normally three or four weeks in length, scheduled either between academic terms or during the summer.

Whenever possible, courses will be team taught by one faculty member from **SRG Pharma** and one faculty member from **Dr.K.V. Subba Reddy Institute of Pharmacy**. Courses may be taught at **Dr.K.V. Subba Reddy Institute of Pharmacy**, at, or concurrently at both campuses through online capabilities.

Students may engage in paid co-op or paid internship opportunities through placements by the host institution, providing they meet the legal criteria of the host country.

Note: International students studying in the United States must comply with U.S. immigration regulations. Typically, U.S. Immigration law requires that an international student maintain full-time status, prohibits them from taking more than one on-line course per semester, and imposes restrictions on off-campus employment. More flexibility is granted to graduate students visiting the U.S. for the purpose of research towards the completion of a thesis/dissertation in their home countries. International students studying in the United States will be required to purchase health insurance to meet certain standards such as medical evacuation and repatriation of remains.]
