#### Report on environment day

KVSP has always looked for and valued innovative teaching methods and appreciated new courses that are relevant to the needs of our society today. The students of the Dr.K.V.Subbareddy institute of Pharmacy has taken for field work. The focus of the field work was on various environmental issues in the region and sensitizing the students to such issues. That this trickled down to the staff members is clear from the fact that the KVSP College of Pharmacy and Research invited EAST (Environmental Action for Sustainable Transformation) to conducts the Compulsory Course on Environmental Studies for Undergraduate Courses. We had focused on the study of Forest ecosystem, aquatic ecosystems, food chains, food webs, community conservation methods, Devrais, threatened species conservation, Urbanization and development Agriculture, unsustainable farming practices Social issues, rural lifestyles and urban impacts on them, Land degradation, watershed management, soil erosion, air and noise pollution, solid waste in rural areas, Medicinal plants etc
