One day workshop was organized on uses and application of X Pharma pro software for III B Pharm & III Pharm D students on 04-09-2017, by Dr. K.V. SUBBA REDDY INSTITUTE OF PHARMACY. The main object of the training was to prepare students to use X Pharma pro software perfectly for doing their pharmacological experiments. On that day they explained the important of X Pharma pro software and how it was useful for knowing the mode of drug action & pharmacological experiment. He used the projector has mode of teaching. He provides the data required for logging into software with all the students. And divided the students into batches and made them work practically in a computer lab around 112 students attended the workshop. At the end of the session feedback was taken from the students. Students said that this workshop was greatly expanded their understandings levels on how experiments can be done without harming animals by using software. Lastly, Principal thanked for sharing knowledge with students.

A one day workshop was organized on ANOVA SOFTWARE for IV B Pharm & IV Pharm D students from 26-08-2019 by Dr. K.V. SUBBA REDDY INSTITUTE OF PHARMACY . The main object of the training was to prepare students to use Software perfectly for doing their pharmacological experiments . On that day they explained the importance of Anova Software and how it was useful for knowing the mode of drug action & pharmacological experiment . He used the projector has mode of teaching. He provided the data required for logging into software with all the students. And divided the students into batches and made them work practically in a computer lab around 112 students attended the workshop .At the end of the session feedback was taken from the students . Students said that this workshop was greatly expanded their understanding levels on how experiments can be done without harming animals by using software . Lastly Principal thanked for sharing knowledge transfer with students .

One day workshop was organized on uses and application of X Pharma pro software for III B Pharm & III Pharm D students on 04-09-2017, by Dr. K.V. SUBBA REDDY INSTITUTE OF PHARMACY. The main object of the training was to prepare students to use X Pharma pro software perfectly for doing their pharmacological experiments. On that day they explained the important of X Pharma pro software and how it was useful for knowing the mode of drug action & pharmacological experiment. He used the projector has mode of teaching. He provides the data required for logging into software with all the students. And divided the students into batches and made them work practically in a computer lab around 112 students attended the workshop. At the end of the session feedback was taken from the students. Students said that this workshop was greatly expanded their understandings levels on how experiments can be done without harming animals by using software. Lastly, Principal thanked for sharing knowledge with students.
