## AID'S DAY

Name of the activity	Date	Time	Venue	No. of students participated
AID's day	01-12-2020	10am - 12pm	c.camp – collector office	126

### REPORT ON AIDS DAY RALLY

On 1 December 2020 KVSP conducted awareness rally on AID'S.WHO joins partners to commemorate World AIDS Day 2020, under the theme “**Equalize**”. WHO is calling on global leaders and citizens to boldly recognize and address the inequalities which are holding back progress in ending AIDS; and equalize access to essential HIV services particularly for children and key populations and their partners - men who have sex with men, transgender people, people who use drugs, sex workers, and people in prisons. This day provides an opportunity for people all over the world to band together in the fight against HIV. As human beings, we must show our support for HIV-positive people and make them feel included. Another reason for commemorating this day is to remember those who have died as a result of an AIDS-related illness. The theme 'equalise' for this year is a call to action to address inequalities and help end AIDS. Increase the availability, quality, and suitability of HIV treatment, testing, and prevention services so that everyone is well-served."
